The Role of the Police and Crime Panel

Under the Police Reform and Social Responsibility Act 2011, Police and Crime Commissioners (PCCs) were established from November 2012, alongside Police and Crime Panels.

Panels have a vital role in supporting, challenging and scrutinising the PCC. Their statutory role includes approving the budget and precept and Police and Crime Plan, conducting confirmation hearings for the Chief Constable and dealing with complaints against the PCC. However, the work programme for each Panel varies depending on the issues facing their local area.

Panel membership is made up of 10 Councillors from the four Districts within South Yorkshire – two from Barnsley, two from Doncaster, two from Rotherham and four from Sheffield, plus two Independent (co-opted) members.

Our Arrangements

The Panel usually meets six times a year (June, July, September, December, February, March and April), with a workshop session at the end of the year for all Panel Members to reflect on the previous year and plan ahead. Additional meetings may also be called if there is urgent business to be considered. The meetings are held on a **Monday at 1.00 pm (Panel briefing at 12.30 pm) at Barnsley Town Hall, Church Street, Barnsley, S70 2TA.**

Meetings are webcast (live streamed via the internet), and recordings are available for a period of six months. These can be viewed at <https://southyorks.public-i.tv/core/portal/home>

Agenda papers are sent out one week before the meeting to allow Members time to read these in preparation. These can be provided either electronically to be used on a laptop or tablet, or as a printed copy.

In addition to the scheduled meetings, learning and development events are also arranged to assist Members in fulfilling their role, alongside national Conferences. Attendance at these are voluntary, but encouraged to support the role.
