We hope you all will get behind this event as it is for the benefit of us all and the new scanning facilities will make the lives of those who need it and who we love get the best treatment possible.

If you are a school, college, running, walking, fitness group, workplace, club, anyone or any group at all please get in touch and join in. The walk could be adapted to meet your needs for it to take place at a time to suit. Please remember though if medals are required you would still need to complete the registration process.

Support Doncaster Cancer Detection Trust & you would be supporting a local organisation to help the local people
